Supplemental Statement Under 37 CFR 1.137(b)

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Under normal practice the Petition for Revival would have been timely filed within three months of receipt of the Notice of Abandonment from the USPTO. However, in this instance, proper docketing and processing protocol was not followed due to my assistant inadvertently placing the file in a "hold" drawer along with another file.
